## Getting Started

This month we will have an open discussion of AS/400 Issues. We attempted to get several speakers, but they just didn't work out for this month, so based on what was said at the January meeting we will still have a meeting this month. The meal is free so please join us Tuesday the 20th.

I want to thank Dwight Bowman, from Metafile, for last month's presentation on imaging. Thirty-four members attended the meeting. I feel the members enjoyed his talk, so we will try to have another talk on imaging later.

I haven't heard from anyone willing to start any SIG groups, and I would appreciate someone volunteering to start up a group. I feel this could be a valuable part of ASU, if we could get it going.

See you Tuesday!  
*Drew Moulton*
