From the President...

Last month we had a good presentation by Gary Davidson on V5R1M0 and the new iSeries hardware. I hope everybody found it as informative as I did. I again want to thank Gary and 3X for his presentation.

This month we will have a general round table discussion about AS/400 (excuse me iSeries) issues. So bring your questions and issues to discuss. This will be our last meeting before we break for the summer months of July and August.

Hope to see you there.

Drew
