**From the
 President...**

I am sorry I couldn't make last month's meeting, but I hope to see you all this month. I hear the talk was a good one and I very much wanted to be there.

This month Keith Justus from 3X is giving an overview of putting your AS400 on the Internet. I hope this will be the first of several talks about the AS400 and the internet. This will give a general overview and we hope to get to more technical discussion in later meetings.

Next Month we will have nominations for officers, so please consider running for an office. I will not be running for president next year so we will need some one to take over for me. The current officers and board will be willing to help any new comers so please don't be afraid to help. Without people stepping up to help out the ASU organization will fail. If you want to run please let any officer know. Our emails are in the newsletter.

Hope to see you Tuesday the 19th!

Drew
