## System Availability is Critical For Business Continuity

Perry Carfagna IBM i-Series Specialist will be on hand to share strategies for how you can ensure system availability for your business.

I/T is the center of how you relate to your customers, partners, and value chain. With the explosion of web-based transactions, everyone notices if your IT infrastructure experiences some type of disruption. Understanding high availability offerings, multi-site backup and recovery strategies, as well as geographically dispersed solutions is more critical now than ever before. Hear how IBM's newly announced eServers, Total Storage and Global Services provide a total solution for e-business continuity.

## From the President...

I would like to thank Peter Murphy from Integrated Custom Software for speaking at our May meeting on the topic of Laser Technology. As we all know, eliminating paper is the goal of many companies these days. By taking advantage of Laser Technology this will surely help with your organization's goal of having a paper less work environment.

Our May elections are summarized below:

#### OFFICERS

President - John Ransom  
Vice President - Brian Moler  
Treasurer - Renee Strassell  
Secretary - Hadi Salim

#### BOARD MEMBERS

Andrew (Drew) Moulton  
Stuart Boulton  
Dean Liming  
Loretta Christensen  
Erick Wilds

We, as the ASU leadership, are committed to bring the very best Speakers, Programs, Meeting, Facilities, and Location to our membership population. You will begin hearing about some new ideas and fun stuff to do very soon, so stay tuned.

I would also like to thank specifically Drew Moulton for his outstanding leadership as President, Betty Campton as Secretary, Dave Holland and David Smith as a member of Board of Directors. Drew will remain on the ASU leadership team as a Board member as past President of ASU.

We will not have monthly meetings for the months of July and August. Our first meeting after summer will be September 18, 2002 at the Berwick Manor Party House.

If you have suggestions or ideas regarding ASU, please forward or send email to me or any other ASU Officer or Board member.
