## Share Your Technical Stories

It's always great to make an accomplishment. This month ASU celebrates your accomplishments. We want to hear about the successes you have made.

Bring your best stories from your technical experiences. Share your story with ASU for a chance to win the "Best Story of the Night" prize.

See you at ASU - Tuesday, January 16!

# HAPPY NEW YEAR

## President's Note...

Hello and Happy New Year!

This is the time of year when we get to compile many reports of accomplishments as an individual or as a team. On January 16, 2007 I am asking all of you to participate at our next meeting by Sharing a Technical Story or two that you was involved in during 2006. The story you present can be as an individual effort or as a group effort. The best story teller will be presented with a special prize.

I continue to encourage you to invite your colleagues, peers, and friends to these very important meetings. We are focusing on many technologies within many industries and not just the iSeries. If you have a specific topic or technology you would like to learn more about, simply email any Officer or Board Member. We will do what we can to continue to bring the very best to ASU and its membership.

See you at ASU!

*John*
